People are unique,
each one different than the rest,
but all with the same eventual goal.

You give but little when you give of your possessions.
It is when you give of yourself that you truly give.
Kahlil Gibran

Behold, how good and pleasant it is for brethren to dwell together in unity!
Psalms CXXXIII, I

Dreams were once a part of the future.
Now they become our today ...

Coming together is a beginning;
keeping together is progress;
working together is success.
Henry Ford

To everything there is a season,
and a time to every purpose under heaven.
Ecclesiastes 3:1

God grant me the serenity to accept the
things I cannot change ... courage to
change the things I can ... and wisdom
to know the difference.
Reinhold Niebuhr

Yesterday we talked of the things we
would do as adults, now we talk of
things we should have done ...

A life that hasn't a definite plan is likely to become driftwood.
David Sarnoff

Sad --
That now you are gone,
No words to express a feeling new to me,
Seems so hopeless now,
But maybe that will change.

Never doubt those moments
Remembering as we were then -
Happy and free.

Bound to our separate paths
But willing to share that moment in time,
Something new,
Something cherished,
Something missing for awhile ...

Let us not ask if we are ready for the world.
Let us ask if the world is ready for us ...

As each one of us marches to the platform on graduation day may we remember the two members of our one body who do not march with us. Two who are as much a part of this class as any one of us, but whos' paths God has chosen to lead elsewhere. And as we think of them may it be with gentle, pleasant memories, grateful for the things they have shared, for the lives which have been a step in growth and the understanding of this life to us.

Let us carry them in our hearts on that day, never doubting for a moment that we are all one.

In dedication

ODE TO AN ANNUAL STAFF OR HOW TO REACH MENDOTA IN THIRTY DAYS

You gonna be on annual staff? Ladders, Mr. Hare. Covers, Colors, Mary's annual parties, Brownies, Kool-aid, Spilled pictures, Gross! What, where's Steve Tate? D. Crawford, Lights out, What's a 3-R? I quit! Mary, catburgler of annual staff. The case of the missing homecoming pictures -- or, BRIAN DUFFY, WHERE ARE YOU? Boy in an iron lung, friends today strangers tomorrow, I quit! We'll just supervise, I don't know how to do this! Tell me how many annuals have been sold, EXACTLY! Advertising to be in no later than a week from Wednesday, I'm impressed, You must attend meeting, or you are no longer on staff!! Is that a threat or a promise? What Christmas vacation? Hours in a darkroom with Mr. Sandmire, I can't get it on! I quit! I'm not going to be an editor next year, J.C., how to type in one easy lesson.

HOMECOMING 76

We dedicate this page to Mr. Waddell, the entire student body and anyone else who helped to make this a very successful homecoming. There was a rally which couldn't have had more pep, the traditional parade with Mr. Niemann starting it all as Parade Marshal, and a dance where the students danced until the very last note was played by the selected band "Triquest". And our team upheld our theme song "If You Leave Me Now" by winning their first game of that season 6-0. We'll always remember the good times we had and what a little effort really can do.

"If You Leave Me Now"

Orange you glad you used Dial?

Creating the winning window.

SKI TRIP

This year in early February the Downhill Ski Club and Nordic Club will be taking a trip to Northern Michigan for a weekend of skiing fun.

Last year they stayed at Olympia Village, a training camp for American Olympic hopefuls. There were old-fashioned cabins to sleep in, a rustic lodge with a stone fire place, and perhaps best of all a slippery, snowy innertubing slope which some skiers will never forget and always feel.

This year they will probably enjoy many of the same things they did last year: warm fires, innertubes, hot saunas, cold snow, loud screams, sore muscles, funny-looking back rubs, snowballs, popcorn, and sunshine.

For the first time the Nordic Club and their advisor, Mr. Lucho, will be joining the downhill skiers. Going slow, beauty and peace is their way of spending a winter day.

We think Mr. Van Den Huevel deserves a special thanks for organizing these trips and promoting a healthy winter sport.

Division of Special Services

One's Education develops from a combination of acquired academic information and understandings relating to experiences from a wide variety of activities. I hope that the bringing of my past knowledge and experiences to the students of Lodi Junior-Senior High School has in some way enhanced their preparation for life and will help send them out into society better equipped to function in their day to day existence. It is my challenge to you to go forward with great enthusiasm to face and hopefully help solve the problems facing all people of the world.

Robert White
Vice-Principal

High school is much more than a building where students go to take courses. High school is a once in a lifetime experience. It is an emotional and intellectual mixing of people: student and student, teacher and student, coach and athlete, club advisor and club member. This once in a lifetime experience will be remembered a whole lifetime. One will always recall what one's life was like in high school.

As in any human experience, such as high school, the outcome will be determined to a great extent by what attitude one approaches that human experience. The choice to be negative or positive is really up to the student. The choice to be a spectator or a participant is really up to the student. The best way to get the most out of this once in a lifetime experience is to be a positive participant.

John Reinhold
Principal

I am pleased and proud to be given the opportunity to write something for this, your senior annual. This annual is the record of the Lodi class of 1977, and I am happy that you are giving me this chance to share a part of it.

Your record is an excellent one. You have prepared yourselves well for what lies ahead. And what lies ahead is truly a country of unlimited opportunity. It is still true of America that one can go as far as his ambition and efforts will take him.

I urge you to remember that just as this school has been your home for the past four years, it will continue to be your home and we want you to come back to visit us every chance you get.

I wish you all the very best of good luck and Godspeed.

CAPITOL CONFERENCE CHAMPS

In the spring of 1976 the varsity Boy's Baseball team reached their peak and brought home the trophy they worked so hard for. The Lodi Blue Devils placed first in the Capitol Conference.

It was a fast pace season with Lodi fighting for the title with rivals Waunakee & Poynette. It was decided who would be the champs when Lodi defeated Verona. Their quality is clearly shown with the final record of 11 wins and 3 losses.

Lodi was fortunate to have an experienced team, a team who worked together for the same goal.

We lost many fine Seniors at the end of the season. We would like to honor them by listing their names and positions.

The Letterman's Club is made up of young men and women who have earned a varsity letter in a given sport.

We think the club and their advisors, Mr. Wieland and Mr. Dettwiler, deserve some recognition and thanks for getting a game program together for football, basketball, and wrestling. They do many other things for our athletic games, including giving up their time for selling tickets. Because of their efforts, and the efforts of all the members of the Letterman's Club, the Lodi community and students are able to enjoy our high school athletic activities much more. To these people we give our thanks.

STUDENT BODY OFFICERS

PRESIDENT JUDY LICHTÉ
VICE-PRESIDENT BRENDA NESS

"Whatever is worth doing at all, is worth doing well."

As representatives of our student body we have tried to live up to this simple motto in the understanding of any tasks set before us this year. There were times when we both would have liked to give up the whole show, but somehow we managed to get through it all and the results have proved to be rewarding. Despite the hurdles, these have been exciting jobs which enabled us to meet and work with many new people.

The student council has set their goals high this year and we feel we have accomplished much more than in the past—even though it seems the results are not always immediately visible. Communication between the students and the student council is still lacking, but at least the doors have begun to open to better representation and voicing of opinions.

We have been particularly proud of the increasing "Lodi Spirit." Activities like our Homecoming this year are the type of thing that students will always remember. The atmosphere of working together provided by these activities are the types of things that make us feel pride in our achievements and Lodi High School itself.

"No one knows what they can do until they try," we have really found this to be true in the many new things that student council has tried this past year. We have met with many successes but also some failures. We truly hope that future student councils can learn from our failures and build upon our successes, to form a stronger student council.

Some of the projects we have worked on this past year are the open campus policy, gripe sessions and the minicourses. These minicourses were the first of their kind in Lodi and proved to be a great success.

In trying to fulfill demanding positions we've received much self-satisfaction. We would truly like to thank everyone for giving us the honor to represent this great student body and for the support you've given us through this past year.

The time I've spent as Lodi's Junior Miss "1977" has been one of the most rewarding experiences in my life. I've met so many new friends, I've gained knowledge, but most important I've become better acquainted with myself. Thank you for making this year one that I'll remember for the rest of my life.

The Lodi Jazz Ensemble is a select few musicians, all contributing their talent to make the jazz idiom a real part, alive and moving, of their lives and ours.

They spent hours in preparation and practice to perform at four state contests and, by invitation at the Wisconsin School Board Convention in Milwaukee.

They consistently brought home high ratings proving the exceptional caliber of the ensemble.

Although ratings were an important part of their existence, they learned from their experiences and their director, Mr. James Reed, that in playing jazz, or any type of music, your goal is to be prepared, perform at your highest level and let yourself be the judge of how you did.

Perhaps the biggest and most exhilarating moment of the season occurred January 17, when the Jazz Ensemble received a standing ovation at the State Board Convention after performing their "big three" Lake Taco, First Class, and Rompin' Stomps, and a few charts aimed at pleasing the older audience members.

This and the sense of accomplishment they felt is perhaps the best way this year should be remembered.

LODI SWING CHORUS; "CELEBRATION"

Looking back on this past year of Lodi High School Celebration, we are proud of their many accomplishments. We have seen the evidence of their great dedication in their numerous quality performances, such as the Supershow and the musical "West Side Story." This chorus has received consistently high ratings in their competition, and although they didn't quite reach ALL their goals -- we are confident they will continue striving for perfection. This is a relatively young group, so we are sure to see even greater things in their future. They have an endless amount of enthusiasm which has been reflected in the eyes of all their audiences, whose extreme pleasure was visible.

All the members of this group have given of themselves, and sacrificed many hours of their time to make their performances a success. They have learned one of the most important lessons any group of people in society can learn -- that is, the lesson of unity and working together. "United we will stand, and divided we will fall."

Remember: "Who's in the Strawberry Patch With Sally?"
 "Mountain Girls" "Reach Out Touch a Hand" "All For The Best"
 "Ease On Down The Road" "Operator"
 "Big Spender" "Howya Gonna Keep Em Down On The Farm?"

HEY, BIG TEACHER!

During the last pep assembly this year, the female members of the Swing Chorus treated our teachers to their rendition of Hey, Big Spender.

1976-77 AFS STUDENT

With the advancing technologies, the continents are getting closer and better means of communication bring the many cultures of the world together. Therefore, the peoples of the world should try to understand and accept other cultures and also develop a new understanding of their own. Only this mutual understanding of each other can help to find solutions to the problems of the world by creating a life not against each other, but with each other.

As I wanted to exchange a little bit of this understanding of the different, I decided to be an AFS-student. Here in Lodi I could accomplish this with the help of all the people who opened their hearts and their houses. For this I thank every one of them. After the year this experience will not be over, but it will live on in our minds.

STUDENT COUNCIL

Row 1: J. Schmidt, J. Johnson, L. Henthorne, P. Brereton, L. Clemens, J. Gallagher, K. Lione, D. Brereton, M. See, Row 2: L. Wickham, G. Tanner, S. Clemens, D. Hamilton, M. Zeman, M. Statz, W. VanBramer Row 3: C. O'Donnel, L. Thompson, L. Pape, J. Brereton, R. Beck, E. Schwister, J. Walters Row 4: Advisor-J. Martindale, S. Wetzel, B. Ness, J. Lichte, A. Westby, C. Kirking

This year's student councils officers were: President-Alan Westby, Secretary-Cheryl Kirking, Treasurer-Steve Wetzel, Student Body President-Judy Lichte, Vice President-Brenda Ness.

The student council did many things this year. We had a successful candy sale, plus our "gripe" sessions tried to help relations between students and administration. Our biggest accomplishment this year was the mini-course session, which took a great amount of personal time and effort. Mr. White did an exceptional job of organizing the entire program. Because of the effort and organization, this year's mini-courses were a great success.
